ADULT PROBATION

Modern Case Management

Built for Community Supervision.

GovAI Adult Probation provides a comprehensive case management foundation for managing individuals, cases, supervision activities, documents, court information, compliance requirements, and reporting – built around the day-to-day needs of probation agencies and staff.

**SUPPORTING SAFER COMMUNITIES
THROUGH MORE EFFECTIVE SUPERVISION**

A MODERN FOUNDATION FOR COMMUNITY SUPERVISION

Streamline supervision, reduce administrative burden, and strengthen outcomes.

Comprehensive Case Management

Individual + Case Records

Centralized individual and case records.

Compliance Tracking

Track supervision activities and compliance.

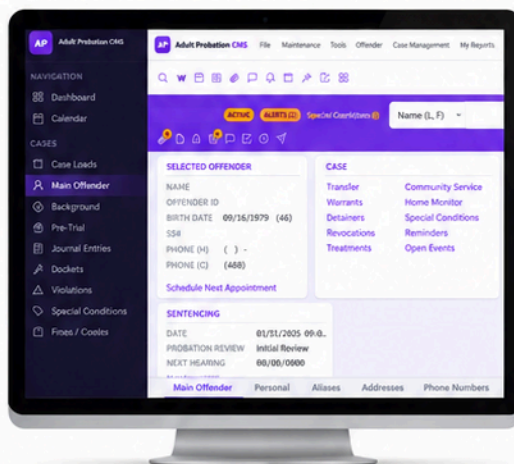

Court Information

Court information and document management.
