Calendar Connect

One Master Calendar.
Connected Court Operations.

Coordinate the court day across divisions, resources, and schedules.

Calendar Connect helps courts coordinate criminal, family, civil and operational scheduling in one connected view, improving visibility and reducing conflicts across the court day.

A MODERN FOUNDATION FOR CONNECTED COURT SCHEDULING

Streamline scheduling, optimize resources, and keep your court day on track.

Court Scheduling

Manage criminal, family, civil and operational schedules in one place.

Resource Management

Coordinate judges, courtrooms, staff and other key resources.

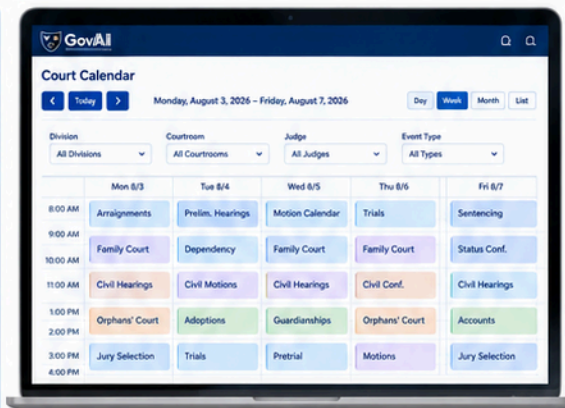

Calendar Filters

View and filter by case type, hearing type, judge, courtroom and more.

Multi-Division Visibility

See the full court day across divisions with a single, connected view.

One calendar. A more coordinated court day.
Better decisions. Stronger communities.

Lists + Displays

Print or download calendar lists, view daily schedules and live displays for courtrooms.

Administrative Efficiency

Reduce manual coordination and scheduling conflicts.

Connected Services

Integrate with case management and other court systems.

Better Visibility

Improve court day visibility and support data-informed planning and decisions.

Benefits for Your Agency

Reduce Conflicts

Minimize scheduling conflicts across divisions and resources.

Save Time

Streamline scheduling and reduce manual coordination.

Support Coordination

Align people, spaces and events across the court day.

Improve Visibility

Gain a real-time view of schedules, resources and court operations.

IDEAL FOR

Court Administration

Courts of Common Pleas

Magisterial District Judges

Support Staff
