

COURT SOLUTIONS

# Court Administration

## Connected Tools for Modern Court Administration.

GovAI Court Administration solutions support the scheduling, calendar, portal and daily operational needs of courts. The solution area brings together tools that help court staff organize information, coordinate schedules and provide approved access to court-related information.

Portal Access

Calendar Support

Daily Lists

Role-Based Visibility

## A COMPLETE COURT ADMINISTRATION SOLUTION

Practical tools to help court staff manage schedules, information and daily operations.

### Essential Capabilities

#### Court-Facing Portal

Provide approved access for attorneys, participants and the public to court information.

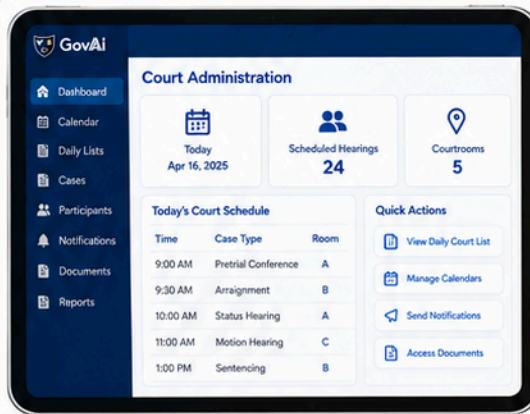

#### Calendar & Scheduling Support

Easily manage court calendars, hearings and courtroom resources.

#### Daily Court List Access

View and manage daily court lists, dockets and related information.

All your court operations in one place.  
Organized, connected, and easy to manage.

### Integrated Workflows

#### Notifications & Justice Workflows

Connect to applicable notification and justice workflows, including participant reminders and status updates.

#### Role-Based Information Access

Provide the right information to the right users based on their role and permissions.

#### Flexible Court Operations

Support the unique operational needs of your court with configurable tools and workflows.

## Benefits for Your Agency

#### Improve Scheduling Visibility

See upcoming hearings, resources and key court events.

#### Reduce Manual Coordination

Minimize repetitive calls, emails and follow-up tasks.

#### Support Consistent Access

Provide reliable, approved court information to staff and participants.

#### Create Clearer Operational Workflows

Keep daily operations organized and efficient.

IDEAL FOR

Court administrators

Clerks and scheduling staff

Judicial offices

County justice partners
