COURT FINANCIALS

Court Costs

Clearer Tracking for Court-Related Financial Obligations.

GovAI Court Costs helps agencies organize court-related financial obligations, balances, payments and follow-up activity in a structured workflow. It supports clearer account visibility and more consistent management of obligations across court-related revenue processes.

A SIMPLE COURT-COST MANAGEMENT EXPERIENCE

Designed to help agencies organize, track and manage court-related financial obligations more efficiently.

Essential Account Management

Account and Cost Detail

View complete obligation details, including fees, fines, restitution and other costs.

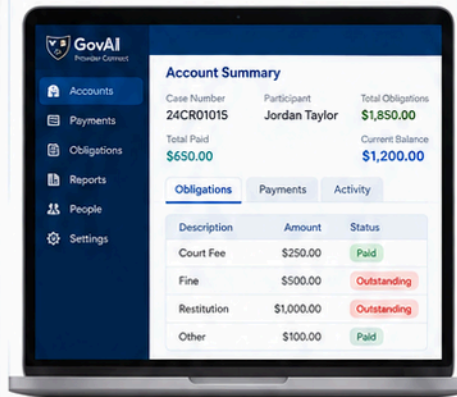

Balance and Payment Tracking

Monitor outstanding balances and applied payments in real time.

Payment History and Notes

See a complete payment history with notes and documentation.
