DISTRICT ATTORNEY

District Attorney

Connected Case Management for Prosecutors.

GovAI District Attorney helps offices manage prosecution workflows, organize cases and documents, support staff coordination, and improve day-to-day visibility across the office.

A MODERN FOUNDATION FOR PROSECUTION WORKFLOWS

Streamline case management, improve collaboration, and strengthen outcomes.

Case Records

Organize case and defendant information.

Document Management

Keep key files connected to the case.

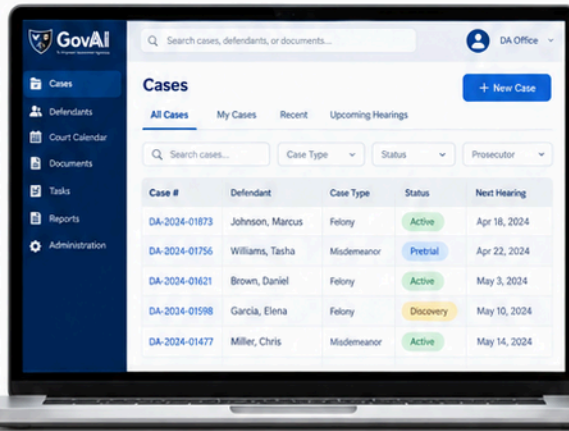

Workflow Support

Support tasks, deadlines, and office coordination.

Court Information

Keep relevant hearing and case activity visible.

Reporting + Oversight

Configurable reporting and visibility.

Staff Coordination

Help teams stay aligned.

Connected Services

Support connected justice workflows.

Administrative Efficiency

Reduce repetitive work and improve organization.

Benefits for Your Agency

Improve Organization

Keep cases, documents and information in one place.

Support Coordination

Enable clearer communication and team collaboration.

Reduce Admin Work

Automate routine tasks and streamline workflows.

Strengthen Visibility

Gain real-time insight into case status and office activity.

IDEAL FOR

District Attorney Offices

Prosecutors

Investigators

Office Staff
