TESTING COMMUNICATIONS

Drug Test Connect

**Clear reminders. Better compliance.
Better coordination.**

Drug Test Connect helps agencies send approved testing reminders and instructions so participants know when, where, and how to complete required testing activity. It supports consistent outreach and gives staff better visibility into reminder delivery.

A SIMPLE TESTING REMINDER EXPERIENCE

Designed to help staff communicate approved testing schedules and next steps more clearly.

Participant Communication

Send approved testing reminders

Notify participants of upcoming testing dates and times.

Share location and schedule details

Include approved testing site information and directions.

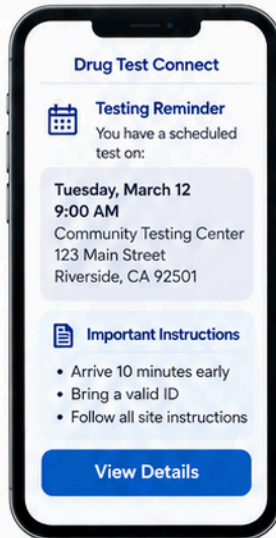

Provide agency-defined instructions

Communicate what participants need to know and bring.

Use approved communication channels

Reach participants via text and/or email.

**Clear expectations.
Useful next steps.**

Agency Support

Reduce missed or misunderstood tests

Help participants stay informed with timely, accurate reminders.

Automate reminder activity

Schedule and send approved testing reminders and instructions automatically.

Give staff better reminder visibility

Track reminder delivery and participant engagement.

Support consistent communication

Use standardized, approved messaging across programs.

Benefits for Your Agency

Fewer Missed Tests

Help participants complete required testing activity.

Save Staff Time

Reduce repetitive reminder calls and manual outreach.

Clearer Communication

Deliver consistent, accurate information.

Better Delivery Visibility

Track reminder delivery and follow-up activity.

IDEAL FOR

Adult Probation

Pretrial Programs

Supervision Staff

Courts & Administrators
