## AGENCY COMMUNICATION

# Notification Connect

Consistent Outreach. Better Visibility.

Support approved communication across agency workflows.

Notification Connect helps agencies deliver timely, approved communications, support status updates, improve outreach consistency, and provide better delivery visibility for staff.

## A MODERN FOUNDATION FOR CONNECTED AGENCY COMMUNICATION

Streamline outreach, improve consistency, and strengthen community engagement.

### Approved Messaging

Use agency-approved templates for consistent, accurate communication.

### Scheduled Outreach

Plan and automate messages across key events and workflows.

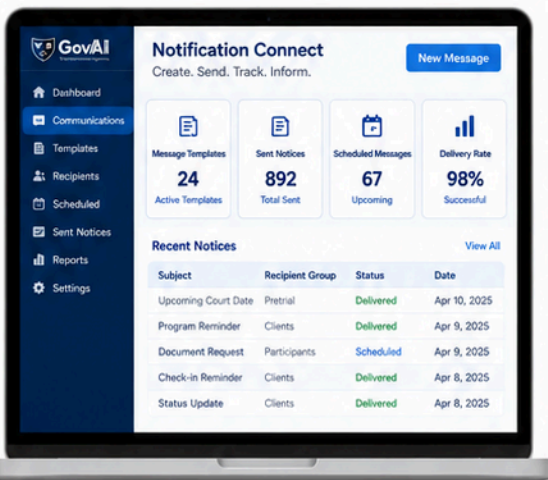

### Delivery Status

Track delivery and engagement to confirm messages reach recipients.

### Communication Support

Help staff deliver timely, clear, and compliant outreach.

### Administrative Efficiency

Reduce manual work with automated, rules-based communications.

### Connected Services

Integrate with agency systems to support seamless workflows.

### Better Visibility

Access real-time delivery and engagement insights.

### Stronger Communication

Build trust through consistent, timely, and transparent outreach.

## Benefits for Your Agency

### Improve Communication

Deliver timely, relevant information to the right people.

### Save Time

Automate routine outreach and reduce manual effort.

### Support Consistency

Use approved templates and standardized messaging.

### Increase Visibility

Track delivery and engagement across all communications.

IDEAL FOR

Adult Probation

Pretrial/Bail

District Attorney Offices

Support Staff
