PRETRIAL/BAIL

Pretrial/Bail

Support Informed, Consistent
Pretrial Supervision.

GovAI Pretrial/Bail supports agencies responsible for pretrial assessment, release, supervision, court communication and compliance tracking. It provides a centralized view of participants, conditions, events and program activity.

A SIMPLE PRETRIAL CASE MANAGEMENT EXPERIENCE

Designed to help agencies manage participants, conditions and court coordination more effectively.

Comprehensive Case Management

Participant and Case Information

Maintain complete participant records, case details and status in one place.

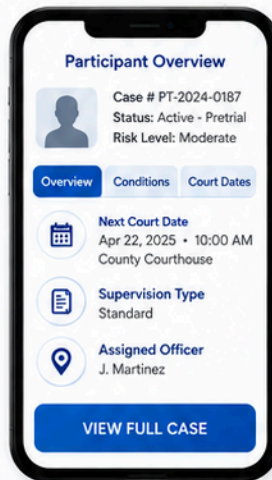

Release Conditions and Compliance Tracking

Track court-ordered conditions and monitor compliance activity.

Court Dates and Reminder Connections

Manage upcoming court dates and send timely reminders to participants and staff.

Key information at a glance.
Better decisions ahead.

Coordination and Program Support

Appointments, Tasks and Supervision Activity

Schedule appointments, track tasks and manage supervision interactions.

Assessment and Reporting Support

Support pretrial assessments and generate reports on program activity and outcomes.

Client, Provider and Notification Services

Connect participants to approved services and enable automated notifications.

Integration and Data Sharing

Integrate with courts and other third-party application to support a unified workflow.

Benefits for Your Agency

Improve Visibility

Gain a complete view across the pretrial process.

Consistent Supervision

Support consistent supervision and follow-up.

Service Connections

Connect participants to approved services and communications.

Stronger Reporting

Strengthen reporting and operational coordination.

IDEAL FOR

Pretrial services agencies

Bail and supervision programs

Courts and justice administrators

Pretrial officers and supervisors
