REVENUE COLLECTION

Revenue Collection

Modern Tools for Government
Collection Programs.

GovAI Revenue Collection supports agencies responsible for managing court-related and community-supervision financial obligations. The solution brings account information, activity, communication and reporting into a more organized collection workflow.

A SIMPLE COLLECTION EXPERIENCE

Designed to make financial obligation management easier for agencies and clearer for the public.

Key Collection Tools

Account & Obligation Information

View balances, payment history and case details in one place.

Payment & Balance Tracking

Monitor payments, fees, assessments and outstanding balances.

Collection Activity & Notes

Track contact attempts, payment arrangements and case notes.

GovAI Revenue Collection

Total Balance	\$1,275.00	View All Payments	

Clear account information.
Actionable next steps.

Communication & Management

Automated Reminder Connections

Send timely payment reminders via text, email or other approved channels.

Batch Communication Support

Reach multiple accounts with important collection notices and updates.

Reporting & Management Dashboards

Track collection activity, balances, trends and staff workload with easy-to-use reports.

Benefits for Your Agency

Improve Account Visibility

Get a clearer view of financial obligations and payment activity.

Support Consistent Collection Follow-Up

Ensure timely and consistent outreach across cases.

Reduce Fragmented Outreach

Bring account information, communication and activity together in one workflow.

Strengthen Reporting and Workload Management

Use data to track progress, identify trends and manage staff resources.

IDEAL FOR

County collection offices

Courts and fiscal departments

Probation and community supervision agencies

Staff managing fines, fees and court costs
