

SUPERVISION COMMUNICATION

Supervision Connect

Keep participants informed.
Support day-to-day supervision.

Supervision Connect helps agencies manage approved participant communication, reminders, messages, forms, and next steps between appointments. It is designed to support supervision workflows with clearer outreach and better follow-through.

A CONNECTED SUPERVISION EXPERIENCE

Built to help officers and participants stay aligned on appointments, communication, and required next steps.

Participant Support

Appointment reminders and scheduling support

Stay informed about upcoming appointments.

Secure messages and communication

Communicate with approved supervision staff.

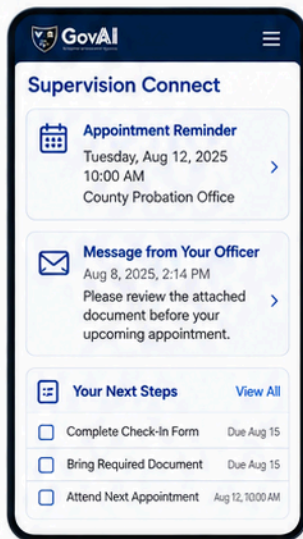

Access to forms and shared documents

View and complete required forms and documents.

Clear supervision next steps

See what's needed and what comes next.

**Clear communication.
Better follow-through.**

Agency Value

Support day-to-day supervision workflows

Streamline communication and case management.

Reduce repetitive outreach and confusion

Automate reminders and keep participants informed.

Give staff clearer visibility into communication

Track messages, appointments, and next steps.

Strengthen participant engagement and compliance

Help participants stay on track and meet requirements.

Benefits for Your Agency

Better Engagement

Keep participants informed and involved.

Save Staff Time

Reduce repetitive outreach and follow-ups.

Clearer Next Steps

Help participants understand what's required.

Improved Visibility

Track communication and supervision activity.

IDEAL FOR
