VICTIM SERVICES

Victim Connect

Timely updates. Clear communication.
Better support.

Victim Connect helps agencies share approved notifications, reminders, and support information with victims and witnesses through clearer, more consistent communication workflows.

APPROVED NOTIFICATIONS + SUPPORT INFORMATION

A CLEARER COMMUNICATION EXPERIENCE

Designed to make communication easier for agencies and more supportive for victims and witnesses.

Supportive Communication

Timely Updates

Share approved status and scheduling information.

Text + Email

Use clear communication channels for outreach.

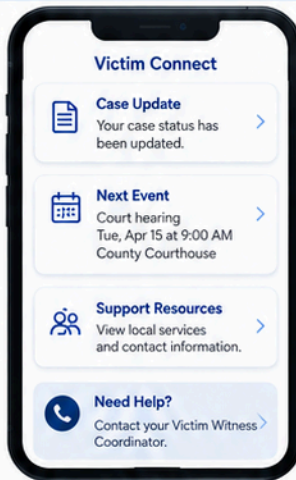

Event Reminders

Help participants stay informed about upcoming events.

Resource Sharing

Provide helpful service and contact information.

Important information.
When you need it.

Agency Support

Scheduled Outreach

Support planned communications.

Event Details

Share approved dates, times, and locations.

Delivery Visibility

Improve staff visibility into outreach activity.

Flexible Agency Use

Support victim witness and court communication workflows.

Benefits for Your Agency

Clearer Updates

Keep victims and witnesses informed with timely information.

Save Staff Time

Reduce repetitive outreach and manual follow-up.

Stronger Support

Help victims and witnesses feel more informed and supported.

Better Visibility

Track communication activity and engagement.

IDEAL FOR

Victim Witness Units

| District Attorney Offices

| Courts

| Support Partners
